

TELCONG NETPLAN

Network Planning & Regulatory Affairs

Issued 2022, Rev. 2024-08

For applicant use only, to be returned to the Commission upon completion

FORM NCC-7B: SPECTRUM APPLICATION

Standard application form for spectrum assignment under Section 121 of the Communications Act 2003

Form	NCC-7B
Form title	Spectrum Application
Issued	2022; Rev. 2024-08
Statutory authority	Section 121, Nigerian Communications Act 2003
Filing fee	NGN 1,200,000 (current as of Rev. 2024-08)
Submission portal	https://portal.ncc.gov.ng/spectrum (account required)

All sections of this form MUST be completed in full. Incomplete forms shall be rejected and the application returned without prejudice to resubmission. Annexures shall be paginated and cross-referenced in the form body. The Authorised Signatory section MUST be signed in wet ink and witnessed by a person authorised by the applicant to do so.

Section A, Applicant Identity

Field	Required	Response
Legal name of applicant entity	Yes	
Registered office address	Yes	
Registration number (CAC)	Yes	
Tax Identification Number (TIN)	Yes	
Primary contact name	Yes	
Primary contact title	Yes	
Primary contact telephone	Yes	
Primary contact email	Yes	
Designated representative for hearing attendance	Yes	

Section B, Spectrum Band Requested

Field	Required	Response
Band centre frequency (MHz)	Yes	_____
Bandwidth requested (MHz)	Yes	_____
Contiguous or paired (FDD/TDD)?	Yes	☐ Contiguous ☐ Paired FDD ☐ Paired TDD
Existing assignment in this band (if any)	If applicable	_____
Adjacent band considerations	Yes	_____
Coordination with incumbents required?	Yes	☐ Yes ☐ No If yes, attach Annex B-1
Term of assignment requested (years)	Yes	_____
Renewal option requested?	Yes	☐ Yes ☐ No

Section C, Geographic Coverage

Field	Required	Response
Geographic area (state / LGA / ward)	Yes	_____
Number of cell sites planned	Yes	_____
Coverage radius per site (km)	Yes	_____
Population coverage estimate	Yes	_____
Service launch target date	Yes	_____
Phased rollout (if applicable)	If applicable	_____
Existing coverage in the area	Yes	_____
Coordination with adjacent licensees	Yes	☐ Required ☐ Not required Annex C-1 if required

Section D, Technical Justification

Attach a Technical Justification document not exceeding 25 pages, addressing: (a) the technology to be deployed, (b) the air interface and access scheme, (c) the rationale for the requested bandwidth, (d) the compatibility with existing band plans, (e) the EMF compliance methodology and threshold demonstrations, (f) the vendor equipment certification status, and (g) the public interest benefit of the proposed service. Use Annex D-1 numbering for all attachments.

Annexure	Title	Page count
D-1	Technical Justification main document	____ pages
D-2	Coverage gap analysis	____ pages
D-3	EMF compliance methodology	____ pages
D-4	Spectrum analysis exhibits	____ pages
D-5	Vendor equipment certification table	____ pages
D-6	Additional supporting documents (specify)	____ pages

Section E, Local-Content Commitment

Per Section 121(5) of the Communications Act, complete the table below with the applicant's local content commitment for the proposed service. Percentages reflect Nigerian-resident attribution.

Category	% Local content commitment	Source of attribution
Civil works (site construction)	____ %	_____ _____
RF planning and engineering	____ %	_____ _____
Equipment installation	____ %	_____ _____
Equipment supply (CapEx)	____ %	_____ _____
Software and firmware	____ %	_____ _____
Operations and maintenance (OpEx)	____ %	_____ _____
Customer support and care	____ %	_____ _____
Direct employment (FTE)	____ %	_____ _____

Section F, Authorised Signatory

I, the undersigned, being duly authorised by the applicant entity named in Section A, hereby submit this application under Section 121 of the Nigerian Communications Act 2003 and certify that the information provided in this form and all annexures is true, complete, and accurate to the best of my knowledge.

Title	_____
Signature (wet ink)	_____
Date	_____
Place of signing	_____
Witness name	_____
Witness title	_____
Witness signature (wet ink)	_____
Witness date	_____

Submission instructions: Once Section F is signed and witnessed, scan the entire completed form (all sections plus all annexures) as a single PDF. Upload to the NCC portal at <https://portal.ncc.gov.ng/spectrum> and pay the prescribed fee of NGN 1,200,000 via the integrated payment gateway. The Commission shall acknowledge receipt within 30 minutes of successful submission. The 60-calendar-day determination period commences from the date of acknowledged receipt.

END OF FORM, NCC-7B

Form NCC-7B: Issued 2022, Rev. 2024-08. For queries, contact the Commission's Spectrum Management Department at spectrum@ncc.gov.ng or +234 9 461 8000 ext. 7800.
