Galway Regional Hospital  
Developmental Paediatrics

### **REFERRAL LETTER**

Date: 30 September 2026

To: Waters Pediatric OT, Dominick Street, Galway

Re: child reference (initials) C.N.

Dear Ms Waters,

I am referring the above child, C.N., for your sensory processing group. Following assessment, the child would benefit from the group intervention for the 5 to 8 age band this autumn. Please consider for the current cohort.

Kind regards,  
Dr. Fiona Keane  
Developmental Paediatrician
